We have made tremendous gains in the past few years and we need to work as hard as we ever have before to win in 2009. Last year, we were better organized than the Republicans and it paid off on Election Day. That will be the key to winning in '09 as well, and we need to continue to build upon this grassroots movement.

Discussion Topics Will Include:

Effective Communication Methods
Campaign-Committee Integration
Fundraising Techniques
And Other Useful Organizing Tools
